HERE COMES THE SUN!

Aug 2022

Time for a summer holiday!

With summer well and truly under way, we're now on our summer break! But don't be fooled, we're not slowing down.
As much as we'd love to be on the beach, we're hard at work planning exciting new adventures for the year ahead, hosting Summer sessions, having family-fun days and working with our CONNECT Ambassadors to affect change!

So keep your eyes on your inbox because you'll be seeing plenty of events and updates over the next few weeks, as well as the third edition of the Connect newsletter, coming out in October.

Stay safe in the sun, and we'll be seeing you soon!

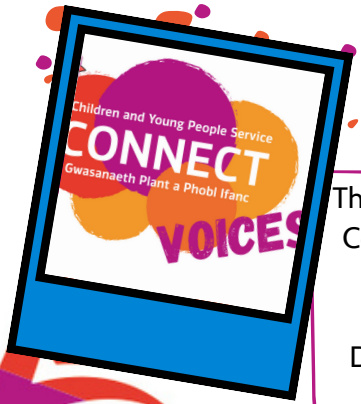

We've got summer sessions running at the Good Game Café every week until 29th Sept where you can chill out, play your favourite games, try out some retro consoles and have fun with other adopted people. Book your session here.* (14+)

*Sessions only available to registered Connected members

There are limited spaces left for our family fun days so book now to avoid disappointment!

-Conwy RSPB - FULLY BOOKED!
-Newport RSPB - 16th August- Book here (limited availability)
-Carmarthenshire- 22nd August- Book here (limited availability)

This summer we're hosting a residential weekend for our Connect Ambassadors, where they'll receive training in public speaking, debate skills and more!

Does this sound like something you'd be interested in doing? Join Connect Voices here.
